# Do something **AWESOME** this summer!

Reading throughout the summer is always out of this world, but this year promises to be even more so as we venture out into space to explore *A Universe of Stories*, the 2019 Summer Reading Challenge. Pre-registration is now available online at [HCPLonline.org](http://HCPLonline.org). You'll be able to pick up your registration materials at any Library location beginning Monday, June 17. Our official Summer Reading Challenge Kickoff Celebrations will be taking place at the Bel Air Library, 10:00 am-noon, and from 1:00-4:00 pm at the Havre de Grace Library. A big thank you to this year's generous sponsors whose continued support truly makes everything possible!

Summer Reading fun doesn't end with the Challenge itself, however. It's also about all of the fantastic programs and events that will be happening throughout the upcoming months. Harford County Public Library is hosting everything from space-themed magic tricks, to zany comedies and alien adventures (a.k.a science experiments). There'll also be visits from live animals, dance parties, and a Moon landing!

For our library customers who'd prefer to be part of the show, rather than just watch it, we have several opportunities to demonstrate their amazing talents! Submit a short story or poem to our *Write This!* contest or audition for the August 15<sup>th</sup> *Universe of STARS!* Talent Show.

Looking for a fun and unique way to celebrate Independence Day this year? Join the Library and be a part of a local parade! Both children and adult volunteers are needed to march with us in the Darlington, Bel Air, Havre de Grace, and Edgewood/Joppatowne Independence Day Parades. Registration forms are available at all HCPL locations.

Dust off your dictionaries and show off your vocabulary knowledge at HCPL's Literary Spelling Bee, happening on Thursday, July 25, as part of the annual Harford County Farm Fair. Participants are invited to test their spelling abilities and earn bragging rights with family and friends. Hosted by the Library, this fun competition is open to children of all ages as well as adults. Visit [HCPLonline.org](http://HCPLonline.org) for more information.

And, finally, as we enter our second year of Choose Civility Harford County, there are several chances to further commit ourselves in creating a more respectful, restrained, and responsible community. Grades 6-12 can attend Aberdeen Library's Guerilla Kindness program, where they'll go undercover and brighten someone's day by creating uplifting messages to hide in circulating books. Adults are invited to learn techniques to take care of themselves while handling everything life throws at them, at a Stress & Self-Care Workshop. Bring the whole family to the Acts of Kindness Club at Bel Air or Joppa Libraries, and do something kind for someone else.

So, Come In, We're Awesome! And hope to see you at the Library.

**Mary Hastler, CEO**

Mary Hastler, Library CEO, receives *The Daily Record* Influential Marylander Award on March 28, 2019.

HCPL Staff participate in *Harford Has Talent* on March 14.

Readers check out human "books" at the *Human Library* events on February 23, March 30, and April 6.

Over 200 people enjoyed HCPL's annual *Genealogy Conference* on March 30.
