Dear County Executive Cassilly,

I am writing to express my strong support for Harford County Public Library (HCPL) and to highlight the vital role it plays in our community. As a proud patron of HCPL, I have seen firsthand how the library inspires, empowers, and transforms lives through its wide range of services, programs, and resources.

The following statistics from last fiscal year illustrate just how impactful HCPL is:

- **776,298** customers visited library branches, either walking in or utilizing the convenient drive-through service.
- **6,236,873** virtual visits were made to the library's website and new app, showcasing its robust digital presence.
- **3,147,447** items were borrowed, helping residents of all ages access knowledge and entertainment.
- **483,519** people, from babies to adults, participated in engaging and educational library programs.
- **379,318** questions were answered by knowledgeable librarians, ensuring our community gets the support it needs.
- **15,225** volunteer hours were donated, reflecting the community's dedication to the library's mission.

These numbers demonstrate the library's immense value and the critical need for continued investment in its programs and services. Supporting HCPL is an investment in education, economic development, and community enrichment for Harford County.

I encourage you to prioritize funding and resources for HCPL to ensure it continues to meet the growing needs of our community.

Thank you for your leadership and dedication to Harford County. I appreciate your attention to this important matter and your continued support of our library system.

Sincerely,
